Re: Request for Annual Report for the Year 1997

Dear Mr. Drachuk:

The enclosed annual report form(s) for the mine(s) referenced below should be completed and returned to this office by February 12, 1998.

Mine No.

Mine Name

S/027/014

ML 42750

The last report received from you stated that you were transferring this operation to Todd Harris. No formal transfer has been made with this Division; therefore, by State mining law you are still being held as the party responsible for the reclamation of any disturbance at the site. If you still wish to transfer your existing small mining permit to Mr. Harris, please complete the enclosed transfer forms and submit to this office. All forms have to be authorized by our Division Director before becoming finalized.

Annual reports are required by Rules R647-3-116 and R647-4-121 of the Division's Amended and New Rules, Minerals Reclamation Program. **Annual reports are required regardless of annual mine activity, unless you have received a written waiver or formal release from continued reclamation obligations from the Division.** Thank you for your cooperation and prompt attention to this matter. If you have any questions please contact me at (801) 538-5386 or Tom Munson at 538-5321.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
Minerals Reclamation Program
